

“BRINGING HOPE THROUGH FAITH AND CHARITY”

SASKATCHEWAN STATE COUNCIL KNIGHTS OF COLUMBUS

Brother Knights,

As we slip into the final days of the Columbian Year, I want to take this opportunity to express my gratitude to each one of you for the success we as a province are facing. As of today, we are only 94 away from making our quota as set out by Supreme for the success of the order here in Saskatchewan. I cannot be prouder of all of you that have supported my vision for the membership that we as a whole are trying to achieve. I ask you one final push to make Saskatchewan shine in our communities as faithful men of this terrific faith-based organization.

I as you please ask a man, change his life, welcome him into the order and show him the benefits of joining the best Fraternal Organization in the world. We are stronger banded together as faithful men. To those councils that haven't recruited a man thus far, it's time to get in on the success. Let's get every council involved to ensure that the Knights of Columbus will remain visible in every parish in the province.

I am extremely grateful for the success we have achieved so far obtaining quality men to join our ranks. This will only ensure our future for years to come and in an ever-changing world the need for prayer and Jesus is evident wherever we look. Please ask a man today to join as we continue the last final days of my appointment as State Deputy. You have made me very proud, **BRINGING HOPE THROUGH FAITH AND CHARITY.**

ONLY TOGETHER AS A GROUP OF CATHOLIC MEN WE CAN MAKE A DIFFERENCE IN OUR COMMUNITIES AND PARISHES.

Larry Packet State Deputy Saskatchewan
