

Food Hampers for Ukraine Campaign

Organized by Knights of Columbus
Bishop Budka Council #5914

Glory be to Jesus Christ!

His Beatitude Sviatoslav Shevchuk, Major Archbishop of the Ukrainian Greek Catholic Church has issued an Emergency Project Proposal to supply food packages for the people at the frontline territories in the East and South Ukraine. There is an overwhelming food shortage in Ukraine caused by the war. Plans are being made to secure funds to distribute 70,000 food packages. Each package would cost approximately \$27.00. A full letter from His Beatitude is available by contacting the undersigned.

Bishop Budka council #5914 has taken on the responsibility to promote this project in Regina and surrounding area and to those in the rest of the province. Due to some logistics in donating money directly to Ukraine at this time the Knights will work with the Ukrainian Sisters of St. Joseph's of Saskatoon to purchase the food and distribute it in the East as they are currently doing. The pictures included in this handout were taken on March 4, 2024, as the Sisters were in Ukraine serving those in need.

As we still celebrate the Resurrection of our Lord during this time let us remember the poor and those in need. The gates of Heaven have been opened to us so let's be a light for those in need and fighting for freedom. Please consider donating to this humanitarian cause to supply much needed food to the Eastern part of Ukraine. Donation information is on the back of this handout.
